STRONGER COMMUNITIES PROGRAMME ROUND 4 NOW OPEN

Applications for Round 4 of the Stronger Communities Programme are now open with Federal Member for Mallee Andrew Broad calling on local community groups, councils, and not for profits to put forward their expression of interest in the programme.

Mr Broad said \$150,000 in funding has been allocated for the electorate of Mallee under the programme, which has delivered great community projects across the regions in the past three rounds.

“The Stronger Communities Programme is one of our most competitive funding schemes each year, and we see some outstanding project proposals put forward from sports club upgrades to council delivered projects.”

“In Round 3 last year we were able to deliver bowls club upgrades, funding for a new vehicle for Sunassist Volunteer Helpers, netball court upgrades, Lions club funding and many other local community minded projects,” Mr Broad said.

“All eligible groups are encouraged to put forward their expression of interest with my office and the application process will begin from there.”

Applications will be reviewed by a consultation committee and Mr Broad before the committee determines those which are eligible to move onto the official programme application stage.

“Grants will be available between \$2500 and \$20,000 for successful applicants.”

The deadline for applications into the Office of Andrew Broad to be reviewed is Monday 10th September.
