ARMISTICE GRANTS FOR THE REGION

Federal Member for Mallee Andrew Broad has announced a further two successful applications under the Coalition Government's Armistice Centenary Grants Program.

Both the Horsham Rural City Council and the Robinvale-Euston Memorial Park Inc have been endorsed for their projects that are set to celebrate the 100 year anniversary of the Armistice that ended the First World War.

Mr Broad said the two groups will share in more than \$16,000 with each of their respective projects to take place later in the year.

"The Robinvale-Euston Memorial Park group have been granted \$9500 through the Armistice Grants Program for the construction of their memorial park and the Horsham Rural City Council will also receive a grant of \$7278 for their event titled Commemorating Armistice Day - 100 years on," Mr Broad said.

"It is great to see our local groups getting involved in these important commemorations and I encourage all locals to get involved where they can as we celebrate the Centenary of the Armistice this November."
