### **PUSH FOR PIPELINE TO SUPPLY MILDURA'S GAS**

Federal Member for Mallee Andrew Broad has written to the Prime Minister Malcolm Turnbull pushing for funding to increase the supply of gas to Mildura.

Mr Broad has called for consideration to be given to funding for an Alice Springs to Moomba gas pipeline. In his letter he outlined the vital role gas plays in the energy sector in the electorate of Mallee and how an increase in supply would support existing businesses to grow and encourage investment in the electorate.

“Our gas use is increasing significantly and we need to start looking at channels for the future,” Mr Broad said.

“Easier access to supplies from the Northern Territory would provide long-term benefits to the Sunraysia region for both domestic and commercial usage.”
