

Letter to the editor

Whilst many may not be surprised by this letter, I want to write and add my support for Peter Crisp at the upcoming Victorian State Election.

The characteristics I look for when considering my vote are commitment to service and decency. Over many years Peter has sought to always put the needs of others before himself, often quietly helping without fanfare or ceremony, and in doing so he has helped many.

A member of parliament is often people's last line of defence when the system has failed them, rolling up their sleeves and going into fight. Decent people who work across the parliament are the ones who regularly secure money and services for the electorate they represent.

I have observed how hard Peter Crisp works, his genuine decency - even to those who heap abuse on him, and his passion to improve the lives of local people.

He has a vision for our future and will continue to make Mildura and our community stronger.
